

To our valued patients:

HEALTH AND SAFETY IS OUR MISSION AND OUR HIGHEST CONCERN

To maintain the health and safety of our patients and staff during the Covid-19 crisis, Metro Vein Centers & Midwest Vein Center will be temporarily closing all locations starting March 23rd. We anticipate reopening in early April and we will continue to update our site with the latest information as the Covid-19 crisis evolves. We will work with existing patients to reschedule any future appointments. The Metro Vein Centers team wishes the best to you and your family during this time. If you have any questions or concerns, please call our team at (888) 660-3494.
